

Weekly Construction Update

Mar 30 – Apr 3, 2015

Minnesota State Capitol Restoration Project

Architectural Integrity. Building
Functionality. Life Safety.

What's New this Week

- New tile being laid on the Quadriga level.
- Scaffolding installed around the northeast beehive (one of four miniature domes on the Capitol roof) for waterproofing.
- Scaffolding installed in Rotunda.

Workers break for lunch in a basement room.

Looking Ahead - Interior

- Installation of scaffolding in Supreme Court Chamber to patch plaster, clean stone and do decorative painting.
- Ten historic lights will be removed from the House chamber.

Looking Ahead - Exterior

- New pavers will be installed on the East Wing roof.
- Scaffolding goes up in the east grand staircase.
- Quadriga level: Marble and masonry repairs are nearing completion.
- South façade: All windows have been removed on south façade except areas occupied by tenants. These will be removed after session.
- West Wing: Demolition will continue on the south façade.

Featured Notice

A system-wide power outage is planned for the entire day on Saturday, April 4. There will be no access to the Capitol.
